Breast Feeding Support

Run by a Breast Feeding Peer Support Worker to offer support and advice to new and expectant mums on all aspects of breast feeding.

Post Natal Group

Run by the Health Visitor and Community Nursery Nurse. A six week course covering dental care, minor illnesses, sleep routine etc. For future course dates ask your Health Visitor / Community Nursery Nurse, or call HX 395501.

Counselling

A professional and confidential service for parents. If you would like to make an appointment in confidence call HX 250081 and ask for the Counselling Department.

Baby Massage

Baby massage can help to relax babies and help them sleep, relieve constipation, wind and colic and improve baby's breathing.

Tiny Treasures

Three week course for babies aged 5 to 9 months and their carers to create a treasure basket. Call Sonia on HX 434978 to book a place.

Family Advice Booth

A drop in session for advice on various family issues, i.e. housing, benefits, jobs and more from Bev the Family Link Worker.

Health Visitor Clinic

Weekly drop-in for baby weighing, advice and support from your Health Visitors. Open throughout the year.

Health Advice

1-2-1 advice on healthy eating, weight loss, stopping smoking, etc. Call HX 281529 for more information.

Weaning Group

This popular session is free to attend and covers different aspects of weaning with hints and tips from the Community Nursery Nurse and Health Visitor. No need to book in advance: however, please call the Children's Centre for session dates.

Bright Stars

From birth to twelve months, messy play, tiny world, music and movement. Weekly drop-in sessions throughout the year. Come and meet other parents.

Ante Natal Clinic

Weekly midwife clinic run throughout the year. To book an appointment call HX 395501.

Musical Minds

Songs, rhymes and activities for the under fives. Have fun while developing early communication.
