Water painting- Grab a couple of old paint brushes and a bucket/ jug of water and help water paint fences, floors and even a sponge and wash the toys!

Creative Ideas

Make Play dough/ Corn flour - See below for recipe and mix corn flour in a tray with a little water and if you're feeling adventurous add some food colouring!

Make a jigsaw - An old cereal/cardboard box is perfect to draw a picture on, colour it in then cut it into jigsaw pieces to put together again!

In the garden (if poss)

Picnic outdoors - Blanket on the ground and once you've helped to make the picnic, take it outside (or even indoors if weather is poor) and Enjoy!!

Gardening and digging - old clothes on, spade or shovel to help dig (but avoid digging up the flowers)

Leaf rubbing - Leaves are good to put under a piece of paper and rub over the top with a crayon or pencil or paint the leaf and print on the paper!
