6. Policy on Remunerating Chief Officers

- 6.1 The authority's policy on remunerating Chief Officers is set out on the schedule that is attached to this policy statement at Annex A. It is the policy of this authority to establish a remuneration package for each Chief Officer post that is sufficient to attract and retain staff of the appropriate skills, knowledge, experience, abilities and qualities that is consistent with the authority's requirements of the post in question at the relevant time.

7. Policy on Remunerating the Lowest Paid in the Workforce

- 7.1 The authority applies terms and conditions of employment that have been negotiated and agreed through appropriate collective bargaining mechanisms (national or local) or as a consequence of authority decisions, these are then

incorporated into contracts of employment. The lowest pay point in this authority is Scale 1, point 5 (Scale 1A), this relates to an annual salary of £13,500 and can be expressed as an hourly rate of pay of £6.9974. This pay point and salary was determined by the authority as part of a pay scale for employees employed on Local Government Services Terms and Conditions on 1 January 2015 and has been applied since that date. The pay rate is increased in accordance with any pay settlements which are reached through the National Joint Council for Local Government Services.

- 7.2 Since April 2014, the authority also applies a living wage supplement to bring the hourly rate of the lowest paid employees in line with the cost of living. The living wage hourly rate is calculated according to the basic cost of living in the UK. This amount is currently set at £7.65 by the Council.

8. Policy on the Relationship between Chief Officer Remuneration and that of other Staff

- 8.1 The highest paid salary in this authority is £137,000 which is paid to the Chief Executive. The average median salary in this authority (not including Schools) is £23,656.90. The ratio between the two salaries is 5.79:1. This authority does not have a policy on maintaining or reaching a specific 'pay multiple', however the authority is conscious of the need to ensure that the salary of the highest paid employee is not excessive and is consistent with the needs of the authority as expressed in this policy statement. The authority's approach to the payment of other staff is to pay that which the authority needs to pay to recruit and retain staff with the skills, knowledge, experience, abilities and qualities needed for the post in question at the relevant time, and to ensure that the authority meets any contractual requirements for staff including the application of any local or national collective agreements, or authority decisions regarding pay.

9. Policy on other Aspects of Chief Officer Remuneration

- 9.1 Other aspects of Chief Officer remuneration are appropriate to be covered by this policy statement, these other aspects are defined as recruitment, pay increases, additions to pay, performance related pay, earn back, bonuses, termination payments, transparency and re-employment when in receipt of an LGPS pension or a redundancy/severance payment. These matters are addressed in the schedule that is attached to this policy statement at Annex B.

10. Approval of Salary Packages in Excess of £100k

- 10.1 The authority will ensure that, at the latest before an offer of appointment is made, any salary package for any post (not including schools) that is in excess of £100k will be considered by full Council. The salary package will be defined as base salary, any bonuses, fees, routinely payable allowances and benefits in kind that are due under the contract.

11. Addressing Recruitment and Retention Issues

- 11.1 In the vast majority of circumstances the provisions of this policy will enable the authority to ensure that it can recruit effectively to any vacant post. There may be exceptional circumstances when there are recruitment /retention difficulties for a particular post and where there is evidence that an element or elements of the remuneration package are not sufficient to secure an effective appointment. This policy statement recognises that this situation may arise in exceptional circumstances and therefore a departure from this policy can be implemented without having to seek full Council approval for a change of the policy statement.

Where there is any departure from this Pay Policy it will be justified and approved in accordance with the relevant policies and the recognised / prescribed appropriate authority decision making route, which is currently via the Council's Employment Committee.

12. Amendments to the Policy

- 12.1 As the policy covers the period April 2015 – end March 2016, amendments may need to be made to the policy throughout the relevant period. As the Localism Act 2011 requires that any amendments are approved by the Council by resolution, proposed amendments will be reported to the Governance and Business Committee for recommendation to the Council.

13. Policy for Future Years

- 13.1 This policy statement will be reviewed each year and will be presented to full Council each year for consideration in order to ensure that a policy is in place for the authority prior to the start of each financial year.
