SECTION A	EXPLANATORY NOTES
-----------	-------------------

Council Tax is made up of a property element of 50% and a personal element of 50%. The personal element assumes that there are two persons over the age of 18 (adults) living in the property. If there are more than two adults resident the bill is not increased, however, if there are less than two residents the bill may be reduced.

1. For discount purposes, certain groups of people are ignored (disregarded) when counting the number of adults in the household.  
This means that in certain circumstances a household with two or more resident adults may still qualify for a discount providing that all of them (or all but one of them) fall into one of the classes shown in Section D overleaf.
2. If there are two or more residents in the property aged 18 or over who are not entitled to a status discount then no discount can be allowed.
3. A person can qualify for a discount if:
  - (a) the care/nursing home is their sole main residence and they are there to receive care or treatment or both.
  - OR
  - (b) they are in a hostel for the purpose of receiving care by reason of old age, disablement, alcohol or drug dependency or a mental disorder.

When you have filled in the details in Section B please read and sign the declaration (Section C) and then send the form back to the above address as soon as possible.
