

Fact Sheet

Census 2011 First Results

First Results from the 2011 Census show a significant increase in the Population of Calderdale

The population of Calderdale is 203,800 according to figures released on 16 July by the Office for National Statistics.

There were 104,200 females and 99,600 males resident in Calderdale on Census day, 27 March 2011.

Comparison with the 2001 Census shows there has been a significant increase in the district's population over the past ten years - about 11,400 people or 5.9%. The population of West Yorkshire has risen by 7.1% and for England and Wales the population has also increased by 7.1%.

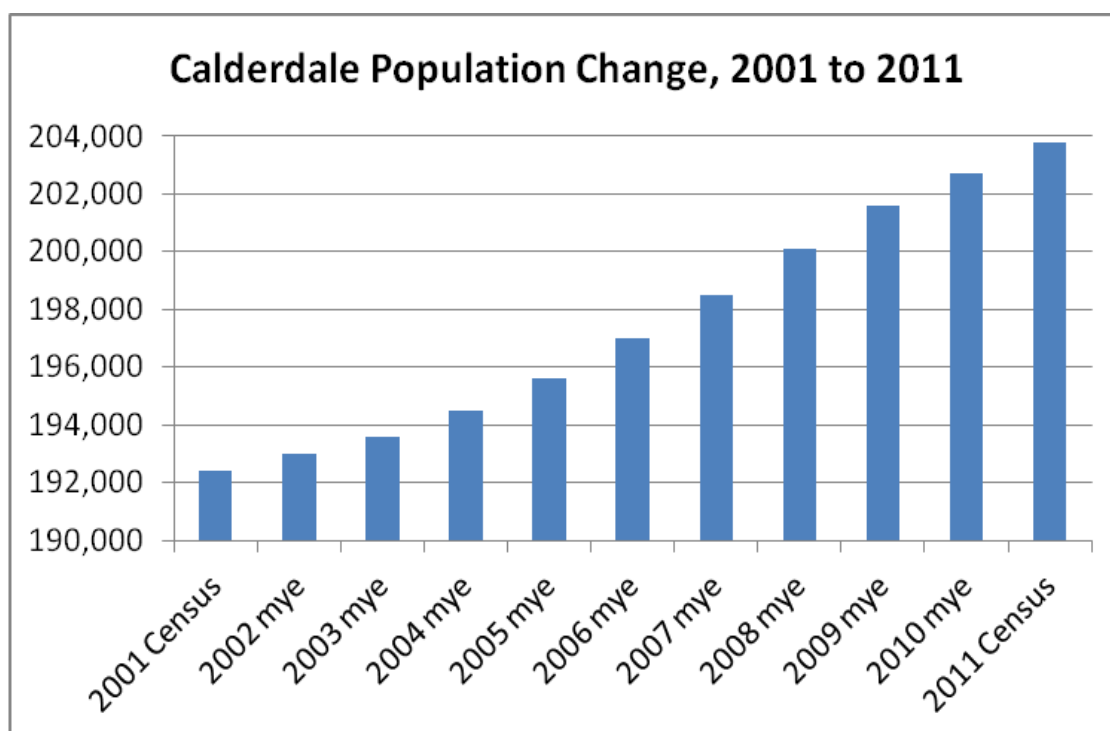

The male population of Calderdale has increased by 7.1%, compared with an increase of 4.8% for the female population.

The overall number of pensioners (65+) in the district has risen by 8% to 32,400 compared with the number aged 65+ in 2001, and the working age population (15 to 64) has also increased by 8%, to 133,900. However, the number of children and young people (0 to 14) has fallen by 2.5%, to 37,500.

There has been an increase of 9.5% in the number of households. in the district, to 88,600. This is a larger rise than that for England and Wales (7.9%) and West Yorkshire (8.0%).

Population of Calderdale 2001 – 2011

The 2011 Census population for Calderdale continues the trend apparent in the government's Mid-Year Estimates (mye's), which have shown a steady rise in the population since the 2001 Census.

Notes

For the 2011 Census, a usual resident of the UK is anyone who, on census day 2011, was in the UK and had stayed or intended to stay in the UK for a period of 12 months or more, or had a permanent UK address and was outside the UK and intended to be outside the UK for less than 12 months.

For more information see <http://www.ons.gov.uk/census>

The age of a person is derived from their date of birth. It is their age in years on their last birthday up to and including census day 2011.

Dates of birth that imply an age over 115 are treated as invalid and the person's age is imputed.

Figures in this table may not add exactly because they have been rounded to the nearest 100.
