GUIDANCE NOTES

HOW TO COMPLETE AN APPLICATION FORM FOR A MANDATORY HMO LICENCE

If you make any mistakes, or do not complete all the relevant sections, it may delay the processing of the application form. If additional information is supplied on a separate sheets, please make sure that they are securely attached to the application form. Please read the guidance notes carefully to assist you in:

- Deciding if the property requires a licence
- Applying for the correct licence
- Completing the form correctly
- Enclosing all the relevant documents

From 6th April 2006, anyone who owns or manages a House in Multiple Occupation (HMO) that requires a licence will have to apply for such a licence from the Local Housing Authority in which the property is situated. An application for an HMO Licence has been made under Part 2 of the Housing Act 2004 which has made it compulsory for local authorities to licence larger, high risk HMOs. Properties that are operating without a licence will be subject to an offence that is liable to a fine not exceeding £20,000.

The Act defines a House in Multiple Occupation as a building or part of a building such as a flat that is:

1. Occupied by more than one household and where more than one household shares (or lacks) an amenity, such as bathroom, toilet or cooking facilities, or
2. A converted building (but not entirely self-contained flats) whether or not some amenities are shared, or
3. Converted self-contained flats, that do not meet the 1991 Building Regulations, and at least one third of the flats are occupied under short tenancies.

Please note that there are two definitions concerning HMOs. The definition above is a general HMO definition and is separate from the definition below which is used to determine if a HMO requires a licence. If an HMO meets both definitions, please complete a mandatory HMO licensing application form. If an HMO only meets the above definition, the HMO will not need a licence but will still be a subject to The Management of Houses in Multiple Occupation (England) Regulations 2006 and may require a Health and Safety Risk Assessment.

To make sure that the most vulnerable tenants living in the highest risk properties are protected, the following definition, as set out in The Housing Act 2004, makes it compulsory for certain HMOs to be licensed, if:

1. the HMO or any part of it is three storeys or more; and
2. it is occupied by five or more persons comprising more than one household; and
3. the tenants are living in the dwelling as their main or only residence.

A **single household** refers to persons who are all members of the same family. A person is a member of the same family if they are married to each other, live together as husband and wife including same sex couples, and other relationships. A "relationship" means parent, grandparent, child, grandchild, brother, sister, uncle, aunt, nephew, niece or cousin. A relationship of the half blood shall be treated as a relationship of the whole blood and a stepchild shall be treated as his/her child. A person who lives in accommodation supplied by his/her employer or by a member of his/her employer's family, is classed as living in the same household, for example, au pair, nanny, nurse, carer, governess, servants, chauffeur, gardener, secretary or personal assistant.

Properties that have three or more storeys will include properties with habitable basements and attics as part of the three storeys but uninhabitable cellars should be ignored. Properties that incorporate commercial premises within the three or more storeys will also require a licence if the other criteria are met. For further information please refer to guidance notes 7 and 8.

Living accommodation occupied by persons as their main or only residence includes persons undertaking a full time course of further or higher education, migrant and/or seasonal workers and asylum seekers or his/her dependents, who have been provided with accommodation under Section 95 of the Immigration and Asylum Act 1999(a) and the accommodation is provided under contract to, or on behalf of, the National Asylum Support Service. It also includes HMOs that are operate as a refuge.

If the property falls into all of the above categories, it is an HMO that will require licensing under the national, mandatory HMO licensing scheme, introduced by the Housing Act 2004. There can be different types of licensing schemes that local authorities may operate in their borough. However, the application form relating to these guidance notes is for the national, mandatory scheme.

NOTE 1

TYPE OF HOUSE FOR WHICH THE APPLICATION IS BEING MADE

House in multiple occupation - The whole property is operating as an HMO either offering shared facilities or bedsit type accommodation – see below for definition, or as a combination of self-contained flats and bedsits.

Flat in multiple occupation – Part of the building is operating as an HMO either offering shared facilities or bedsit type accommodation – see below for definition, or as a combination of self-contained flats and bedsits.

House converted and comprising only of self-contained flats – A self-contained flat refers to a dwelling where access is via a single front door from any common area. Such dwellings would contain all the standard amenities with no sharing of amenities with the occupiers of neighbouring dwellings. **IF THE PROPERTY FALLS INTO THIS CATEGORY. IT WILL NOT REQUIRE A LICENCE. PLEASE SIGN THE DECLARATION ON PAGE TWO AND RETURN THE FORM TO THE COUNCIL.**

NOTE 2

HOW IS THE HMO OPERATING

Bedsits – A term used to describe sleeping/living arrangements that are not self-contained and where is shared use of some facilities such as a bath or shower room, sanitary accommodation or kitchen with the other occupiers of the HMO.

Shared facilities – Where the cooking and washing/toilet facilities are shared between all members of the HMO but each household has their own sleeping facilities.

Household with lodgers – A resident landlord rents out rooms within the property. For this type of property to be a HMO, there must be 3 or more lodgers able to reside at the property at any one time.

Hostel, B&B, guesthouse – Accommodation for people with no other permanent place of residence who would otherwise be homeless.

Supported lodgings – Accommodation for people who live independently but have the assistance of a carer whilst at the property.

NOTE 3

DETAILS OF APPLICANT

The applicant must be a named individual.

The applicant/proposed licence holder must be a named individual and not a company. If a company applies to be a licence holder, they must nominate an appropriate person to hold the licence within that company. The Council has a duty to award the licence to the person it thinks is the most appropriate person to be the licence holder. In normal circumstances, the Council would expect the applicant to be the owner/landlord of the dwelling and apply to be the proposed licence holder. The proposed licence holder must have the power to:

- collect rental income
- let and terminate tenancies
- access all parts of the dwelling
- authorise repairs and maintenance to the property.

If this is the case, please complete all of section one, following the instructions given within the section. If the owner/landlord has nominated a manager, or managing agent to be the proposed licence holder, they must have the power to undertake the listed conditions such as collect rental income and authorise repairs, in order for the Council to assume that they are the most appropriate person to hold the licence.

NOTE 4

RESIDENTIAL/BUSINESS ADDRESS

Please provide details of permanent residential or business address of the applicant and/or proposed licence holder- not the address of the HMO to be licensed.

The full permanent residential address is required together with the necessary supporting documents to confirm the address. Evidence that will be accepted by the Council as proof of address will include one of the following:-

- current driver's licence
- recent bank or building society statement – from the last three months
- recent utility bill – from the last three months
- recent tax correspondence

The supporting documents to confirm the business address will include one of the following:

- recent utility bill (from the last three 3 months)
- business rates
- recent tax correspondences.

Photocopies of the above documents are not accepted. Original documents must be sent with the application form or alternative arrangements made with the Council for original documents to be verified. The Council has a duty to maintain a public register and make sure that the contents of the register are available at the local authority's head office for inspection by members of the public at all reasonable times. The permanent residential/business address will be the address used on the public register. If you would prefer an alternative address to be used on the public register, please complete Section 24 in full, in addition to providing a residential/business address.

NOTE 5**CONTROL OF THE PROPERTY**

A person having control of the property in normal circumstances is the legal owner/freeholder of the property who receives the “rack rent” of the premises. The “rack rent” means a rent which is not less than two thirds of the full net annual value of the premises. In circumstances where the owner/freeholder has leased the property to another person or company, the leaseholder will become the person having control of the property.

NOTE 6**FIT AND PROPER PERSON**

In deciding whether an application should be granted, the Council must have regard to evidence, which shows that the proposed licence holder and/or manager and any other person associated or formerly associated with them on a personal, work or other basis is a fit and proper person.

To make sure that the Council can adequately assess whether a licence holder is a fit and proper person a series of questions have been devised. You must answer “yes” or “no” to all of the questions in this section. If you answer “yes” to any of the questions, it will be necessary for the Council to undertake a further assessment. You **must** contact the Council to request the additional fit and property person check. In accordance with the Rehabilitation of Offenders Act 1974, you are not required to provide details about previous convictions that are “spent”.

A conviction becomes “spent” after a certain length of time, which changes depending on the sentence and your age at the time of the conviction. The periods are halved if the conviction took place when you were aged 17 or less. If a person is sentenced to more than two and a half years in prison, his/her conviction can never become “spent”.

FIGURE 1

Sentence	Period of good conduct needed for conviction to be spent
6 months to 2 ½ years imprisonment	10 years
Less than 6 months' imprisonment	7 years
Borstal training	7 years
A fine or Community Services Order	5 years
Probation Order, Conditional Discharge, or Bind Over	1 year
An Absolute Discharge	6 months

Therefore, all unspent convictions must be declared. Figure 1 above indicates the period required for the conviction to become spent.

To enable the Council to be satisfied that the information given is correct, please sign the declarations as requested. This also ensures that in certain cases other authorities such as the Police can be consulted during the licensing process. If the declaration is not signed, the application cannot be processed.

If you have any doubts about whether you have to declare a previous conviction, you should contact your local Probation Office, the Citizen' Advice Bureau, or a Solicitor.

Any information given will be treated as confidential and used only in connection with this application.

NOTE 7

STOREYS IN THE PROPERTY

Properties that require a licence must have three storeys or more. Three storeys or more includes the following:

- Property with 3 or more floors such as ground floor, first floor and second floor
- 2 storey property with attic conversion
- Property with 2 floors above ground and a habitable basement
- Property with 3 or more floors and a shop or other commercial premises on the ground floor and living accommodation above.
- Property with 3 or more floors and a commercial premise above the living accommodation on the first 2 floors
- House on a sloping site with 2 floors at the front and 3 at the back.

HMOs that will **not** be included in the classification are:

- 2 – storey property with an unconverted cellar
- 2 – storey property with a commercial premise in the basement.

NOTE 8

LEVELS ON WHICH THE STOREYS ARE SITUATED

For an HMO to require a licence it must have three storeys or more. However, the three storeys do not necessarily need to be the first three floors, such as ground, first and second floors. There could be commercial activity in the premise or basements could be in use for habitable purpose.

NOTE 9

HOUSEHOLDS

A **single household** refers to persons who are all members of the same family such as, married and co-habiting couples of the opposite and same sex, and other relationships. A “relationship” means parent, grandparent, child, grandchild, brother, sister, uncle, aunt, nephew, niece, cousin, relationship of the half blood and stepchild. Additionally, a person living with his/her employers family or in accommodation supplied by his/her employer is classed as living in the same household, such as, au pair, carer, gardener or personal assistant.

NOTE 10**FACILITIES AVAILABLE FOR EACH INDIVIDUAL LETTING**

The table for facilities in Part 2 has been designed to allow information to be given for shared and self-contained properties. It is a “tick box” table to make sure that for each individual letting they have access to certain facilities. If any of the listed facilities are not contained within the property, please leave the box blank. Using the example provided below as a guide (ie FIGURE 2) please complete the table in Part 2.

It is a criminal offence to knowingly supply information that is false or misleading for the purposes of obtaining a licence.
