

Cabinet Meeting: Monday, 01 September 2025

Question from: Sam Barnes

**Question to: Councillor Durrans, Cabinet Member with
responsibility for Public Services and
Communities**

QUESTION

Why did the Council take no action to implement the 2019 report recommendation to develop parts of the Shay estate in order to make the stadium financially self-sufficient?

Response

Further clarification from Sam Barnes identified the report referenced was a Place Scrutiny Board from 18th April 2019.

The minutes of that meeting state:

IT WAS AGREED that: (a) the report be noted; and (b) the Director, Public Services be requested to submit an update report in twelve months.

Due to Covid, no further report was submitted, until the Budget Proposals for 2024/25
