Question from: Andrew Dobson

Question to: Councillor Scullion, Leader of the Council

QUESTION

I understand that the position of Principal Environmental Health Officer has been filled following David Dunbar's departure from the role six months ago.

Can the Cabinet confirm what action has been taken to ensure that the new incumbent to the role is the best person for the role such as when and where the position was advertised with how many applicants applying resulting in how many being interviewed and that the successful applicant held all the relevant professional qualifications required.

Response

Recruitment to the post of Principal Environmental Health was undertaken in line with the Council's recruitment policies and procedures.
