

**Cabinet Meeting: Monday, 08 July 2024**

**Question from: Jeanette Hunton**

**Question to: Councillor Durrans, Cabinet Member with  
responsibility for Public Services and  
Communities**

In respect of the Environmental Permit Application submitted by CVSH to operate an incinerator in Sowerby Bridge, I understand that the Community Safety team have stated they will publish all objections on their website in due course however pending these submitted comments being published please can you tell me how many objections have been received for each of the consultations so far: consultation period 1 (which ended on 1 April 2024) and consultation period 2 (which ended 6 June 2024)?

**Response**

840 responses to the first consultation and 31 responses to the second consultation.
