

Cabinet Meeting: Monday, 04 November 2024

Question from: George Pickles

Question to: Cllr Scullion

Could an explanation be given as to why the Cabinet feel their 'hands are tied' on this Incinerator application and why one member of Cabinet is not allowed to vote on the issue

Response

Under the Council's published Constitution, this decision is to be taken under delegated authority by the relevant chief officer and not by members of the Cabinet.
