Due to the number and/or nature of comments it may not be possible to provide responses immediately at the meeting. If this is the case, the Joint Committee will indicate how the issue(s) raised will be progressed.

### 6. **Assessment and Treatment Units - Update** (Deputy Chief Operating Officer, Leeds and York Partnership NHS Foundation Trust – [written report](#))

There has been extensive work to develop a West Yorkshire and Harrogate Health and Care Partnership (also known as an integrated care system) proposal to move from three to two [Assessment and Treatment Units](#) (ATUs) for people with learning disabilities across West Yorkshire and Barnsley.

In February 2020, it was agreed that we would start further public engagement on the proposal to close the Leeds unit and provide a regional service from two generic units based in Bradford and Wakefield (on two of the three current ATU sites). This proposal was shared with Health and Wellbeing Board

Chairs, Council Leaders, Local Overview and Scrutiny Committee Chairs and West Yorkshire Joint Health Overview Scrutiny Committee (WY JHOSC).

This report provides an update for the Joint Health Scrutiny Committee from the last discussion in February 2020.

- 7. Pandemic update - West Yorkshire Issues** (Director, West Yorkshire and Harrogate, Health and Care Partnership – [written report](#)).

Since the Joint Committee last met in public there has been a significant escalation of the COVID-19 incident. This has necessitated a substantial refocusing of the work of all organisations in the West Yorkshire and Harrogate Health and Care Partnership (WY&H). The purpose of this paper is to update the Committee on the focus and priorities of our Partnership work over the past four months and set out the focus our work for the coming period.

- 8. Update on Black Asian and Minority Ethnic Commission Review -** (Consultant in Public Health and Programme Director Unpaid Carers and Personalised Care, West Yorkshire and Harrogate Health and Care Partnership – [written report](#))

The West Yorkshire and Harrogate Health and Care Partnership Five Year Plan sets out an ambition to ensure leadership across the partnership is representative of local populations and that poor experiences for BAME (Black Asian and Minority Ethnic) staff are a thing of the past. The Partnership also has focus on reducing health inequalities observed for BAME population groups through the WY&H Improving Population Health Programme.

This report sets out work underway in the West Yorkshire and Harrogate Health and Care Partnership to address these issues.

- 9. Work Plan (Senior Scrutiny Officer, Calderdale Council oral report)**

This item is an opportunity for the West Yorkshire Joint Health Overview and Scrutiny Committee to consider items for its work programme for the coming year.

Meeting dates have been proposed for:

30<sup>th</sup> September 2020 - 10-12pm

24<sup>th</sup> November 2020 - 10-12pm
