For Children and Young People in Calderdale

Calderdale's Emotional Health and Wellbeing Service Guide For Professionals

Calderdale's Emotional Health and Wellbeing Service Guide

This service guide was developed to help professionals who support children and young people experiencing emotional health and wellbeing difficulties.

For further information, please visit Calderdale's emotional health and wellbeing website, Open Minds www.openmindscalderdale.org.uk

This website provides advice, information, support and signposting on local and national emotional health and wellbeing services that help children and young people who are going through a difficult time.

Please note that this information is current at the time of going to print in March 2019.

Kooth Free Service

Kooth is a safe, confidential and anonymous online counselling support service for young people age 11 – 25 years. It is free at the point of need and available through a smartphone, tablet or computer. Kooth helps to reduce wait times for young people seeking help and removes stigma around mental health.

Free, safe and anonymous online support for young people.

This is a self-referral service.
