## Todmorden Ward Forum

### Feedback from requests made at the Ward Forum on 23<sup>rd</sup> February 2017

**You asked:** It was noted by a Ward Forum attendee that noted that water was getting in under the covering, and that guttering needed checking in the outdoor market.

**Answer:** The gutters have been inspected and they were unable to identify any specific issue and had not received any comments or complaints on this issue from stall holders however the market supervisor will check next time there is heavy rain to identify where there may be an issue.

**You asked:** Parking on the double yellow lines at the market on Burnley Road on Thursdays is causing concern of obstruction

**Answer:** Parking Services have passed these concerns on to their Enforcement Team for investigation and have also copied in John Walker from the Markets Team to make him aware of the situation.
